LETTER OF REPRIMAND

The Iowa Ethics and Campaign Disclosure Board reviewed this file in open session during its meeting of January 20, 2000.

As a candidate for the Iowa House of Representatives, the Board finds that adequate information was available to you so that compliance with the provisions of Iowa Code Chapter 56 should have been achieved. From the information available, the Board concludes that your spouse failed to include an attribution statement on a political letter, a violation of Iowa Code §56.14. The Board takes note that she has published notice of her violation in a local publication and provided the Board with a signed statement that attests to the fact that although the violation might be deemed to have been careless or negligent, it was not willful.

After deliberation the Board determined that the public interest in disclosure would not be better served by pursuing formal complaint action or other sanctions available to it. In lieu of a contested case proceeding, and in an effort to administratively resolve this matter, the Board issues this Letter of Reprimand, which will be placed in your disclosure file in the Board's office in Des Moines as well as in a master file of other Letters of Reprimand issued to committees throughout the state.

This Letter of Reprimand is the Board's final agency action in this matter. Judicial review of the action may be sought within 30 days pursuant to Iowa Code section 17A.19.

Dated this 25th day of January 2000, in Des Moines (Polk County), Iowa.

LETTER OF REPRIMAND

The Iowa Ethics and Campaign Disclosure Board reviewed this file in open session during its meeting of January 20, 2000.

As a candidate for the Iowa House of Representatives, the Board finds that adequate information was available to you so that compliance with the provisions of Iowa Code Chapter 56 should have been achieved. From the information available, the Board concludes that you failed to file your Statement of Organization in a timely manner, which is a violation of Iowa Code §56.5. The Board takes note that you have provided the Board with a signed statement that attests to the fact that although the violation might be deemed to have been careless or negligent, it was not willful.

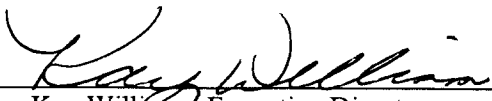

After deliberation the Board determined that the public interest in disclosure would not be better served by pursuing formal complaint action or other sanctions available to it. In lieu of a contested case proceeding, and in an effort to administratively resolve this matter, the Board issues this Letter of Reprimand, which will be placed in your disclosure file in the Board's office in Des Moines as well as in a master file of other Letters of Reprimand issued to committees throughout the state.

This Letter of Reprimand is the Board's final agency action in this matter. Judicial review of the action may be sought within 30 days pursuant to Iowa Code section 17A.19.
